Lesson 1 - Who is Allah?

Allah is our Lord. He is the **Creator and Sustainer** of all that exists.

He made **everything** — the seven heavens and all that is in it, the seven earths and all that is in it.

He created the sun, the moon, the stars the planets, the animals, the birds and all that is in between the heavens and the earths.

Allah is the creator of all of us, he gave us **life**.

He gives us **food, water**, and all that we need to live and grow.

Allah is the **One** and He has **no beginning** and **no end**. Allah has **no parents, no children, and no partners**.

Allah is the **Self Sufficient** and everything in the Universe depends on him.

There is no god but Allah and there is **nothing like Allah**.

We should **love Allah** and worship him **alone**.

We should **not worship anyone** other than Allah.

No one can **answer our prayers** other than Allah.

We should love Allah's messenger **Muhammed** ﷺ and obey his commandments.

We should **pray to Allah** five times in a day,

We should **pay zakath** to the poor and the needy.

We should **fast** in the month of Ramadan.

We should **perform Hajj**, if we are able to do it.

Lesson 2- Who is Muhammad ﷺ?

Prophet **Muhammad ﷺ** is the **final messenger** of Allah.

He was born in **Makkah**, in Arabia, more than **1400 years ago**.

His father's name was **Abdullah**, and his mother's name was **Aminah**.

He was very **kind, honest, and helpful**.

People called him **Al-Ameen**, which means *the truthful and trustworthy*.

Allah sent him to teach people to **worship only Allah** and to **do good deeds**.

He showed us how to **pray, be honest, be good to our parents, help others, and be patient**.

We should love Prophet Muhammad ﷺ and follow his **Sunnah**.

May **Allah help us to worship him alone and follow** his Prophet Muhammed ﷺ.

May Allah admit us and our families to Jannah and protect us from the punishment of Jahannam.
